The Premises:

Located within a Housing Estate near Briar Hill, foot only access and a little indiscreet

The Lady:

Bait and Switch, the girl available was not the girl I booked, Approx 30 and Size 14. Breath smelt of smoke and she sniffed constantly throughout the session making me suspicious of narcotic use

The Story:

A really poor experience, I phoned in advance to check availability and that Daria was OK with a couple of things (most notably DFK). Upon arrival I was sent to a room to "get ready", then after about 10 minutes a girl appeared in her underwear who was much older, bigger and bustier than Daria (as pictured and described on website), appears to be a bait and switch. She would not allow me to touch her downstairs and would not kiss.

OK She did give me a reasonable BJ and with my eyes closed a semi decent "quickie", but I was a bit miffed that I had been baited and that I was deprived of a snog and grope. The time was also cut a little short (with toilet trip wastage, etc), classic time wasting :(
