The Lady:

As per pics. Massive bangers and curves in all the right places. She did say that she has some "Baby Weight" to shift, but IMHO she looked great.

The Story:

Really needed a decent massage as against my usual FS punts, so decided to head to Ego. I love a massive set of bangers, so was drawn to Poppy's assets. Phoned ahead and made a booking, and as well documented, there is plenty of free parking outside Ego or in nearby streets.

On arrival I was shown to the room by the maid and given the option of a pre-massage shower. Poppy arrived in the room as I was getting dried and proceeded to strip off whilst inviting me to lie on the massage table. I asked Poppy to concentrate her efforts on certain parts of my body that were very stiff and sore. The massage was great, very firm in the right places, for the first half hour. Then she began to tease with plenty of attention to my butt with cc swipes and reach under's. After a nice B2B massage with those massive titties, it was time to turn over. After some work on my legs, and with plenty of oil, Poppy began working my cock and teasing my ass before i jizzed over her hands and my chest. She cleaned me up before having a shower, and I showered before leaving.

I would defo return as the massage was far better than I expected. Poppy was very friendly, chatting about her baby and saying that she still has some weight to shift. From what I saw, she looks great with no stretch marks or sagging anything.
