The Premises:

Top flat in house on quiet street in southwest London. The bedroom was clean and comfortable, with a nice large bed. Adjoining it was a bathroom with shower, which was also fine. There were a few builders doing some work on other flats in the house, but they didn't even slightly curious as to what I was up to as I climbed the stairs.

The Lady:

Shiny's photos are pretty accurate, though she is possibly slightly older than she appears in them. Anyway, she is very very attractive, with a gorgeous face (her eyes are wonderful and her lips sensational), and a slim sexy toned body, with a superb all-over tan, lovely ass, and nice perky breasts. Her height of 5ft 7in stated on the website seemed accurate.

The Story:

Shiny (or Ellyn as she is called on some other sites) greeted me with a nice kiss and smile; I found her warm, friendly, fun and keen to please. She told me that she is half Spanish, and half Romanian. Its certainly a beautiful combination.

As I am getting on a bit and also a bit "out of practice" sexwise, she had a somewhat challenging job getting shall we say "the best out of me", but she did very well. The actual action included some very enjoyable oral sex and some french kissing, plus intercourse in a few positions, concluding with me pounding her vigorously in the missionary position -- while gazing at her lovely face -- until I reached a very satisfying orgasm. After that we had an interesting chat for a few minutes before I took a quick shower and left.

For anyone who likes beautiful, slim, dark-haired girls with latin looks, I can definitely recommend Shiny. Go and see her soon!
