The Premises:

HoD2 a few minutes walk from Victoria station.

Clean and tidy and the usual HoD decor. If I was being overly critical I would say the back bedroom was in need of a bit of TLC, as there are some dodgy looking cracks in the plaster.

The Lady:

Pretty much as shown in her photos, but without a blurry face in real life. Quite petite but with curves in the right places and the most fantastic pair of enhanced boobs. Tattoos as shown in her photos and a new one on her left upper thigh.

The Story:

I'd seen Alexa a couple of times before for 30 minute appointments, so this time went for 45 minutes to fully appreciate her charms.

Started with kissing and cuddling, during which Alexa complimented me on my soft hands. I must remember to thank my Mum for making me doing all that washing up (that joke will be wasted on anyone who doesn't remember the Fairy liquid adverts).

I moved on to exploring southwards and licking Alexa's pussy until she came. Swapped around for some OWO, then onto a variety of sex positions. I requested a CIM finish, and Alexa kept me on the verge of cumming for ages by alternating between blow job and hand job. Eventually I passed the point of no return and exploded in her mouth.

All good, I'm looking forward to next time.
