The Premises:

A decent hotel close to East Croydon train station that I've visited on previous punts.

The Lady:

Kiara looked hot on her AW profile but I never actually got to meet her (see below).

The Story:

I called Kiara earlier in the day to arrange a meeting for 7 pm and she told me where she was working from. She texted me shortly after I made the booking to ask if 7:30 pm would be okay instead and I replied that it would be fine.

On arriving I called Kiara and there was no reply. I received an apologetic text shortly afterwards to say that she was busy and would contact me in a few minutes. I called her again after 15 minutes when I'd heard nothing from her and tried to call a couple more times over the next 15 minutes but got no reply. After waiting 30 minutes outside the hotel, I'd had enough of being mucked about and went to the local Wetherspoons to spend my money there instead.

Perhaps I was just unlucky and there was a good reason why Kiara couldn't honour my appointment. If there was, she never told me. The amount paid figure above was my bar bill at Wetherspoons rather than money paid to Kiara.
