The Lady:

Pictures don't quite do CLara justice, she isn't pretty but she is very attractive and has a look in her eye which is very enigmatic. Without doubt a very "buff" firm body but handling her body is conditional read on.

The Story:

Warm welcome by Clara wearing the pink outfit showcased in her profile. Clara is a twenty one year old teasing Italian girl, with a firm buff body, smooth pussy, perky breasts and an ass so hard & pert you just have to kiss and caress it.

Clara for such a young person is very self-assured she took her outfit off and stood before me self-satisfied a nubile look, pure firm white skin no tattoos or blemishes the perfect embodiment of a luscious women and she knows it. Clara knew I was impressed and keen to touch and consume her as we stood for a while whilst I nibbled her ear, simply caressing each others skin and genitals.

Now this is why I have given Clara a neutral rating in the spirit of a proper review. Right up front Clara dealt with the paperwork, which I understand, but think is never a good sign. Somehow that request so early is a telling and subliminal mindset? My view is Clara's primary thought is "I'm here for this" (and I get that) but the essence of our encounter was I'm not really bothered about your experience or satisfaction! Maybe it's an age and experience thing? The most satisfying punts I've had are with the more mature, or young but experienced ladies, who may have the exact same mindset, but its not obvious and they make you feel right!

Now don't get me wrong, I'm so grateful to Clara for sharing her body with a man more than twice her age.

However else, would I get to be with such a beautiful person naked, having sex, if she and her colleagues did not offer their services.

I brought the standing intimacy of touching each others body to a conclusion and we took too the bed for Clara to give me a covered BJ, which was okay. I was allowed to rub her shaven and fleshy pussy, but no going inside with fingers and I'm not sure if cunnilingus would have been acceptable? Clearly, without being said there was a no kissing policy and guess in hindsight an arms length policy generally. Now I was suited and booted, late lunch from the office, I'm clean (even been tested recently) and in good health, so my appearance was not the reason for arms length approach. I can only assume its Clara's T&C for the encounter, which is understood but clinical and the reason for the neutral rating.

The sex in both the missionary and doggy position were memorable for me because Clara is such a young, fit, intriguing and arousing Italian. Clara's input was just enough, no outlandish moans and giratons and watching us in the mirror soon had the desired outcome for me that afternoon.

I know I'm being more philosophical than just giving you the intimate details of our sex, I'm trying to illustrate, without being negative, what kind of encounter you'd have with Clara.

It's not a laugh a minute, non stop talking, a no holes barred encounter. Its conditional (clara's conditions) so if you like this type of encounter it's worth a visit. Personally, I'd have to think twice the attraction of a second visit would be Clara's nubile body, not necessarily her techniques and character.
