The Lady:

Lana is a truly stunning woman with a typical Brazilian physique and a butt to absolutely die for! She came in the room with heels on but when she took them off she was around 5'5 like the description on the website and like her hot pics on there too.

The Story:

I got there a bit early and the very friendly maid welcomed me in and said it wasn't a problem and showed me into the lovely en suite room for me to wait for Lana and was VERY excited when she came in wearing hot red lingerie and heels and greeted me a passionate kiss and compliments on my body and had me rock hard within seconds! Wont go into too much detail other than her BJ was absolutely mind blowing and I had to do my best to hold on before we tried out different positions (that you can in 30 mins anyway) and finished in doggy with the sight of that amazing Brazilian butt in front of me pounding away on me, I exploded over her perfect boobs which she just loved (Oh yes she does still have those VERY sexy tan lines like in her pics by the way) Would I recommend or want to see Lana again? Its a big YES from me!
