The Premises:

Easy to find basement flat in W14. My first time there - we all have our favourites and having visited all three locations I prefer Pimlico as it just looks and feels more upmarket.

Not sure I'd manage the steps if there was snow or ice to contend with!

The Lady:

I found Nicola to be beautiful and petite, lovely and slim and with wonderful soft skin. Classy, polite and just lovely to spend time with.

The Story:

When I first 'discovered' HOD it was Nicola who stood out to me as the one to spend time with. Diaries never quite aligned but the opportunity finally came up and I booked with around two hours notice.

One hour was just not enough and time simply flew by! Being an older client, I prefer slow and sensuous and building up through the session. We started with a nice relaxing massage and progressed from there with wonderful kissing throughout. The detail is between the two of us as I'm a gentleman.

I believe Nicola enjoyed herself too, which is important to me and it was nice that Nicola said she would like to see me again. We will indeed meet again!

I thoroughly recommend Nicola.
