The Story:

Daisy likes to use the ground floor room.

I found this a little off putting as its by the kitchen and stairs - so there is lots of activity by the door, but Daisy soon put me at ease.

She is friendly and chatty and keen to find out what you like/want.

Her skills are excellent and she was very accommodating. She even rearranged the furniture for me :)

Great OWO Blowjob, 69 and then sex in multiple positions with a very happy ending.

she offered to book a different room next time and if I let her know requests in advance, she volunteered to dress/ roleplay as a nurse/schoolgirl/ policewoman etc

She is clearly experienced, but not jaded or mechanical (or she fooled me) either way I will book for longer next time
