### The Premises:

HOD 2 as described in many other reviews.

A special mention must be made that the maid on duty for my visit is absolutely wonderful. Probably the nicest lady I have ever met and the combination of her and Scarlett being so wonderful made this easily my best visit to HOD so far.

### The Lady:

The personification of perfection. Scarlett is without any shadow of a doubt the most drop-dead beautiful woman I have ever laid eyes upon, and I have been fortunate enough to be with some extremely beautiful women.

5'6" with a slim but incredibly curvy figure. Her photographs are incredibly accurate of what she looks like with hips, legs that go on for days, soulful eyes that you could get lost in, the most perfect pair of breasts and nipples out there (completely natural) and a beautiful, tight, delicious, perfect vulva which is topped off with a perfectly maintained 'landing strip' of pubic hair.

Her profile says 24 though she could very easily pass for early 20s (20-21 I'd say) if she didn't confide in me her true age on my previous visit to her.

I cannot emphasise enough how utterly breathtakingly beautiful Scarlett is. I realise beauty is in the eye of the beholder but you would have to be blind to not appreciate her.

She also has a couple of very tasteful tattoos, one on her left inner ankle and the other on her upper back. wonderful deep red hair worn in a bob and a couple of piercings; belly button and an unusual piercing on her inner upper lip.

### The Story:

This was my second time meeting Scarlett after an extra long session with her whilst she was the advent girl back in December and holy Sh\*t! Why did I wait so long to see her again?!

Every inch of this woman is perfect (see my description of her for proof of this) and The least I can do is write her a glowing review.

I won't go into great detail of what we did, it was for the most part fairly standard; french kissing, BJ, fingering, My first experience of a 69 (which was incredible) sex in pretty much every position (duh), RO and all topped off with a lovely chat at the end. I could have gotten everything I wanted done within 45 minutes and saved myself some money but spending the last 15 minutes conversing with Scarlett was absolutely wonderful (so much so that we may have slightly run over our time together!). She doesn't do anal or CIM but for me personally, Anal doesn't interest me and CIM I can take it or leave it.

Scarlett is not just drop-dead perfectly beautiful but she also has an amazing personality. So friendly and lovely, she will put you at ease right away and is far too humble in my opinion considering how amazing she is.

The only criticism I have of her is that she has completely ruined other women for me! I will never have an experience with another woman as wonderful as this one and have no doubt in my mind that another booking to see her will be in my future, possibly as part of my first threesome if the stars align and my second favourite girl (Danielle) happens to work the same HOD as scarlett on the same day.

Anyway, conscious that this is starting to get on a bit, I'll summarise things. Scarlett is the most incredible, beautiful and all around perfect woman I have ever been with and the maid on duty at the time being also wonderful was just the cherry on top of an already perfect punt.

One thing I need to add is, and this should go without saying, make sure to treat all the girls with respect and sensitivity. I realise they are mainly doing this for the money (Of course they are, I wouldn't be doing my job if I wasn't paid to do it) and it costs a fair chunk of change to see them but that doesn't mean they're objects. Be polite, sensitive to her needs and respectful and she will reciprocate in kind.

They say you can't improve perfection but scarlett and the wonderful maid are living proof that you can!

thank you so very much to both of you. Xx
