### The Story:

Knocked on door and was let in

Asked how much the massage was and was told £25 for the half hour

Asked about happy endings but she said no - but I know they do

Paid the 25 and went into room and stripped off

Anna came in and I was stood naked she directed me to the bed

Laid down and she started to massage my legs and back and then after about 10 mins of a very good massage she touched my balls and said did I want more

I asked her how much and she said 20 and I said for her to be naked and she said 40 so paid her 40 and she stripped off

Gorgeous body and beautiful firm breasts

She started to play with my balls and cock and then fingered my arse

Lovely experience

Eventually turned over and we had some mutual fondling of her lovely wet pussy and not sure that she came but she was quite excited

She oiled my cock and gave me a really good hand job caressing my balls and fingering my arse as well

did some nice B2B massage as well - that was really nice and she went 69 on me so I could finger her pussy again

Eventually shot my load and she wiped me up

She went for a shower and then came back and gave me more massage as we still had time left

She dried the oil off me - she did offer me a shower but I declined

Dressed and left a happy chappy

Will return

Anna is very good
