### The Story:

This lady is a real gem! She will do absolutely anything - Oral (with or without), toys, domination, school-girl fantasy, prostate massage, dildos, ect...

I decided to opt for 1-hour service. She stripped down to suspenders and lay with me for some mutual masturbation. After a bit she turned around and started work on my cock, nibbling and sucking whilst I fingered her very tight pussy and stroked her clit. In the end I could take no more and came in her boobs, she came too (or gave a damn fine impression!). This lady really enjoys what she does and makes you feel completely at ease.

I highly recommend this lady
