The Premises:

As has been reported on here a lot, X lounge is a lovely little discreet parlour in Leicester, not far from the railway station. Lots of parking in side streets that's cheap.

3 rooms are available although they only use the downstairs room if the 2 upstairs rooms are occupied. The receptionist is always really nice. Have never had a bad experience here.

The Lady:

The website advertised a new lady, (Jenny) and really went to see her. Wasn't given any choice though as only Issabella was available. Not a problem though as I hadn't seen Issabella before.

Mixed race lady about 30, but would pass for younger. Great body and tits to die for. Definitely her in the photos on the website.

The Story:

Sadly this was my worst punt at X Lounge. Paid for GFE in half an hour but was out within 20 minutes. cursory massage, although she was very gentle, just how I like it. The kissing was 2 pecks on the lips, which was disappointing. Would have loved a good old fashioned snog while having a play with those tits. On with the cover, then a little bit of oral finished by me enjoying myself shagging her in mish.

To be honest, I was overall a little disappointed. She made all the right noises, but I really got the impression that she was going through the motions. I much prefer a lady who enjoys herself and really wants her client to do so as well. On my next visit, I would choose another lady for sure. That said, if only Issabella was available, I would see her, but would lower my expectations somewhat.
