The Story:

My first visit to MKE although Kristen and I have met before. I arrived a little early and phoned from the car park. Easy instructions given and I was met at the door and shown in. The room was occupied by another lady so the very friendly and accommodating maid showed me into a back room. We chatted for a few minutes and it became quite a gathering. First the gorgeous Cherry popped in then followed by the equally lovely Morgan and Kristen popped in too. A bit of a bonus to meet the other girls but very soon the room was available. I was early remember so no time lost.

Kristen looked amazing in a revealing red one piece outfit which highlighted her incredible figure. We chatted and caught up for a few minutes before retiring to the bed. We kissed and caressed before I asked for a blow job. Kristen explained that she had a bit of a cold and would I mind if oral was with condom. No problem at all for me and with Kristen's skills it's hard to tell the difference. After a while I returned the favour as we moved onto 69. I was close to finishing so Kristen eased off at my request and sat on my face for more reverse oral. There is no finer sight than that of looking up at a lady and feeling her breasts as the tongue goes to work. We moved onto sex in various positions including reverse cowgirl, missionary and doggy before I came with Kristen riding me cowgirl. Despite her not feeling 100% Kristen was full of energy and it speaks volumes for her professionalism that she was able to deliver an amazing service whilst feeling a little under the weather. We spent the remaining minutes cuddled up chatting before all too soon it was time for me to move on. A wonderful time with a very beautiful, sexy and intelligent young lady who I hope to see again very soon.
