The Premises:

Ruth was staying in a very nice hotel in central London. There was no parking available as you might expect.

The Lady:

She is a lovely looking petite strawberry blonde with a gorgeous gazeworthy face. Her slim, small breasted body is that of a toned athlete (she trains daily for her competitive sport). She combines her physical charms with a very warm and open personality. She is delightful company in every way.

The Story:

Ruth greeted me with a smile, a kiss and warm friendly welcome. She looked exactly like she does in her photos, petite and so deliciously feminine. Her face is wonderfully full of character with beautiful eyes and lips, it reminded me somewhat of Jeanne Moreau. It was not just her looks that had attracted me. Her profile describes a woman of many facets and I wanted to learn about them every bit as much as I wanted to enjoy her physical charms. We chatted for a good 10 minutes or so over cups of tea and I feasted my eyes and filled my senses whilst listening to frank and fascinating stories about her uncommon lifestyle and background. When she had emptied her teacup she got up from her chair, came over to mine and gave me a devastatingly sensual open mouthed kiss. Conversation went on hold, it was time to get sexual.

After some deeply stimulating kissing I asked if I could help her out of her dress. It was off in seconds. Ruth has a wonderfully slim and toned athletic body and she looked sensational in tasteful underwear with stockings and suspenders adorning her shapely legs. I was captivated all over again. In bed she did everything I would have wanted from a real girlfriend and it was clear to me that she is determined to get as good as she gives. I was only too happy to do what I could to help her. Afterwards we re-engaged in more rewarding conversation, this time with kisses and cuddles, before it was time for me to take my leave.

I really hope to see Ruth again despite the fact that we live 230 miles apart. The Lake District offers the prospect of some fabulous views outdoors to rival the ones I now know I would get indoors. She is a rather special lady.
