The Premises:

Maisonette in centre of Bletchley, entrance in side street. I think quite a few MKE ladies were working that day, so not enough room for everyone at the main establishment behind Ego. The appointments however were similar, and no problem having a shower before the start of the date.

The Lady:

Toned, very attractive young lady, smooth and slim but not hard-bodied. Fresh faced and fresh as a daisy, all over. Nicola walked in wearing a dainty little black dress, as requested, and I was impressed by the fact that she had her own little kit of lube, condoms and other professional accoutrements.

The Story:

Nicola came in shortly after I had finished my shower, all smiles and keen to make me happy. She readily granted my wishes (within the context of her profile on the MKE website) and was lovely and warm and friendly. There was just a hint - and I mean, a hint - of awkwardness, probably because of my own anxiousness to make the most of my time. To be fair, I didn't really give her the best chance to get some flow going.

Nevertheless, I had a lovely time. I am too infrequent a punter to make any promises about seeing someone again, but I would definitely like to spend more time with Nicola as I think that, combined with her manifest desire to please, could add up to some really memorable experiences.
