### The Premises:

Another easy incall in Bayswater. I'd seen Noah before in Earls Court, and again in Bayswater, but this place was much nicer. Secure, comfortable and spacious. Had everything I needed.

### The Lady:

Noah is exactly as she appears on the website, if not even better in person. Naturally beautiful, naturally busty and naturally cheerful and eager to please. She still has the really long hair, and it's as smooth and beautiful as it looks on her pictures. Lovely deep eyes and a wonderful smile. She doesn't speak great English, but she's getting better and better since the last time I saw her. She's in her early twenties, with a great body. Lovely girl! I should probably say that I've seen her through two other agencies: Diva and Babylon, where she was called Raduga and Lulu. I thought it only fair to try her out through my other favourite agency Angels of London.

### The Story:

Noah had really made an effort with her appearance, as she had on other occasions. She had on a blueish / turquoise basque, with matching knickers, black fishnet stockings and suspenders. She had high heels on and when I followed her into her bedroom she looks terrific as her ass moves. She's beautiful to look at, plain and simple.

We started off the action with a little show and tell. Her standing in front of me taking off her clothes. She did this slowly and provocatively. She's a lot of fun and really gets into it. She released her massive boobs first. I love Noah's boobs because they are natural, but they're not saggy and overly big. Big enough to be more than a handful and plenty to play with, which I did! She did mention that she wanted to get them done to make them perkier, but I offered my opinion and told her they were perfect; which they are!

She dropped to her knees as I sat on the edge of the bed and she gave me some of that amazing OWO that she does so well. We'd already agreed to CIM, so I had that to look forward to as well. She's taken my load on two other occasions and she always does it so well! She asked me to hold her hair out of the way so I could see her face and this was amazing. I held her hair back and pushed her head down onto my cock. She doesn't mind at all, and she can get a lot in her mouth. I

imagine she could deep throat the whole thing if it was an average or below average size. I am slightly longer and some girls struggle, but Noah had a bloody good go!

Moved onto the bed where I went down on her for a while. She responds well to this too. She was tasty and as fresh as a daisy. Lovely grabbing her boobs in this position too, and reaching around to play with her ass. Noah is a very sexual woman. However, I had to have my dick in her mouth again. I sat up and literally pushed her head onto my cock. She has a great technique and it only got better. In between looking up at me, she changed speed, went deep, then just the end etc. she's really got this down. Then as I felt myself close I began face fucking her and holding her head before exploding into her mouth. Fantastic. She politely excused herself and then returned to give me a massage.

We chatted a little during my brief massage, but her English is not that great to be honest. She is good fun and likes to chat though. Her massage skills are not professional, but it was nice to feel her hands on me whilst I recovered. She used some nice cream etc. She then turned me over and asked if I would like her to play with my dick with some lube. I accepted of course, although I wasn't confident that I would go twice; I don't usually unless it's really special, and I've had enough rest!

In moments I was ready again and she slipped a condom on and jumped on top. She rode me nice and slow and pushed her tits in my face, which was marvellous. We fucked like this for quite a while before switching to missionary, then finally into doggy where I eventually managed to cum again! A fantastic experience for this rate and I would highly recommend her to anyone!
