The Story:

I have seen Daisy a few times and it gets better each time. Daisy does not FK which is normally a must for me, but does gentle kisses and her naughtiness and passion make up for it.

An amazing bj - deep, slow and long, soon got me fully hard. A long taste of her pussy then more deep bj - I'm not small but she took me right down, followed by sex in her tight pussy. On this occasion it was slow and passionate on my choosing, previous has been hard and rough. Felt so naughty with her dressed as a sexy teen, and I had no problem filling the condom.

Can't wait till I next see her.
