The Premises:

Spacious, clean, luxury ground floor flat within a few minutes walk of Bond Street underground station. Residential area so feels very safe and smart. Good shower with soft towels. Very large bed for having fun on!

The Lady:

Both Charlotte (www.bustycharlotte.co.uk) and Sarah (www.cityblonde.co.uk) are very attractive ladies whose photographs do not do them justice. I guarantee that if you're looking for a couple of buxom fun-filled ladies you need look no further.

The Story:

I've been seeing Charlotte for about 7 years now and have never been disappointed. I've also had a few duo experiences with her so when I asked about doing another and Charlotte suggested Sarah I didn't need any persuading.

I'd requested a role-play which required them to be a lesbian couple behind with their rent and had agreed to "pay off" the debt by putting on a "show" for me and letting me join in.

I arrived to find them dressed in basques, black stockings and not much else and, boy, did they look sexy. See the photo on Charlotte's Twitter account of 19 Mar 2019.

I returned from having a shower to find the girls hard at it so I joined in. I won't go into all the gory detail but there was plenty of sucking, licking, sex in various positions, use of a strap-on by one girl on the other while she was licking me and so on.

The session finished with the girls kneeling in front of me with their breasts pushed together while I wanked myself off and shot my load onto their boobs.

It doesn't get much better than the time I spent with them and I can't recommend them highly enough
