The Story:

Great experience. I wanted a few services which weren't on the list (mainly her being dom) so checked with the maid before booking and all was good.

Started with Daisy saying she needed to be treated with respect, sad that she has to say this but I think she's mainly a sub and I guess some guys can take it too far. However after that she got totally into it and was on a mission to make me cum as much as possible (3 times if you're interested) with lots of deep throat and dom work when I wasn't inside her.

She's really beautiful but even better is her personality and enthusiasm for her role is even better. What is a bit odd is that she has a feminine Sid James laugh, but thinking about it some smut and filth was just what I wanted so all good.

A great lady, treat her with respect and you'll really enjoy yourself
