The Premises:

Ground floor flat in quiet street in southwest London. Easy to find and straightforward entry. Flat was clean and very adequate in terms of size. Adjoining bath/shower room was also fine.

The Lady:

Rinata is a very very pretty girl, closely matching her photos. Slightly above average height at around 5ft 7in I would guess, slim with lovely all-round light tan, gorgeous figure, very nicely shaped medium-sized breasts, superb ass and great legs. A very yummy package indeed.

The Story:

Rinata greeted me with a lovely smile and kiss. She was looking hot as anything, wearing some pretty matching bra and knickers with a black negligee/wrap type of thing on top. After I'd enjoyed a quick shower, we got straight down to business with a little kissing and cuddling, and soon enough my fingers were lightly rubbing her panty-covered pussy while she gratifyingly fondled my rapidly stiffening dick. All our clothes were soon off, and it was on to some very enjoyable oral, with Rinata first receiving then giving. She then expertly placed a condom on my well-engorged cock with her lips, and I was soon started pounding her in mish. As I am "getting on a bit" it normally take me quite a while, and a few positions, to reach a climax, but on this occasion -- Rinata being so hot, responsive, and to my liking -- that goal was reached relatively quickly and most satisfactorily. Following this, we chatted and cuddled for a while, but my dick was soon hard again and there followed a longer less frenetic session of sex in various positions, including a few minutes of her riding me on top, which she seemed to really enjoy.

As well as being cute and beautiful, Rinata is good fun, warm, friendly, a little mischievous and speaks/understands quite a bit of english. I hope to see her again soon and would love to keep her to myself but feel I have to let you guys know what you are missing if you haven't seen her yet.
