The Premises:

Apartment in Marylebone. Easy to find and access. On a busy road, but it's very inconspicuous going in. Spacious and comfortable apartment. Big TV playing music on the wall, nice big bed etc. Shower was nice too.

The Lady:

Alexia is the girl in the pictures, but she's definitely a bottle blonde because when I saw her she was in desperate need of getting her roots done! LOL! Pretty young thing, with a great body. Speak pretty good English, funny and quite charming.

The Story:

She has a really nice body. Her boobs are enhanced, but still feel really nice. One negative about Alexia was that despite it saying OWO on the website profile, she does not offer this service. It's a shame because I only really book girls that do this. However, that said, once the disappointment was out of the way and she began her OW, I realised that she was still very good. Her position during this was good too. She knelt at the foot of the bed whilst I sat on the edge. I could see her ass and her head going up and down in the mirror right in front of me.

The sex wasn't the best, but it was still enjoyable. Unfortunately, Alexia is one of those that can't take too much, apparently. It does somewhat take away the enjoyment sometimes, and it's not as though my dick is that huge! Best position for me was with her laying on her front and me taking her from behind. It allowed me the most control over the situation. It was here that I finished.

A good punt and well worth the £150, but nothing to write home about to be fair.
