The Premises:

As previously reported by many fit for purpose, well maintained venue, clean, comfortable and greeted today by a very cute maid.

The Lady:

Petite pocket rocket, very very pretty face, natural 34 E boobs with the kind of nipples that demand to be sucked and perk up appropriately, flowing auburn hair, rounded bum that is a joy to behold and fondle, fully shaven below, says 40 on profile but could easily pass for much younger. Pippa was resplendent in a black lacy number that accentuated her delightful figure.

The Story:

Fantastic 30 minutes with a beautiful, friendly, sexy lady. Greeted with DFK from the onset and our hands roamed over each others bodies as we undressed. Pippa is an amazing kisser and I could have spent the whole appointment playing tonsil tennis with her but there were other joys to come. Reclining on the bed for more kissing and touching with me kneading those magnificent breasts and sucking on Pippa's walnut like nipples and Pippa licking my balls and shaft and giving me a superb tit wank. Pippa has an excellent oral technique and brought me to the edge on more than one occasion. Licking Pippa's sweet tasting, moist pussy was a joy and got me even harder, Pippa put the condom on with her mouth, mounted me and rode me in cowgirl with her boobs in my face and much kissing until I came. Pippa ticks all the boxes for me and was exceptional in the service she provided and her friendly demeanour.
