The Story:

This was my second visit to Daisy. Just like yhe first one had requested her in a school girl uniform. Once the paper work was sorted out she suggested some ideas to enjoy the time She suggested that i can be a teacher who catches her playing with herself . Whih i readily accepted.

After that she was on prowl and was eager to satisfy all that was requested. She was not a clock watcher and let me enjoy all the moments.

Will definately visit her again. Next time she suggesyed to check her out in the nurse uniform
