The Premises:

An upstairs flat on the high street, east of Plumstead railway station. The bell wasn't working so I had to phone to be let in. The bedroom was very spacious and clean. The best I've been in on punts around this location.

The Lady:

A dark skinned Romanian girl with tattoos. She was about a dress size 10 with B cup breasts and prominent button nipples. She had a bit of a tummy.

The Story:

I actually enjoyed the session very much. I was still a bit tired, but Adelina was very friendly and experienced. She gave me plenty of foreplay by caressing and stroking me to a firm erection. We had covered sex in doggy position and she applied plenty of lube before I entered her. After only a short period I withdrew and she jerked me to orgasm over her breasts.
