The Story:

I don't regularly see escorts and have to say I was nervous as heck waiting for Iris to arrive. But this lady really helped put me at ease from the second she arrived. Breezed through the door with a big smile. She looks exactly like her pictures which is always good. Tried not to let my hands shake while I poured us drinks!

We sat on the sofa in my hotel room and chatted while we drank some wine which was great. Iris is obviously very smart and extremely funny. When I got the courage to put my hand on her leg, her smile got even bigger and she stroked my hand and leaned in for a kiss. You don't always get escorts who will kiss you properly but Iris absolutely goes for it. Real passion. I eased her out of her dress and she climbed on top of me in her sexy underwear and ground against me while we kept kissing. It was a bit of a blur but at some point we moved over to the bed and got completely naked.

Iris offers every service in the book and delivers them all with gusto. She gave me a fabulous BJ, complete with rimming which I loved. At one point she moved down and sucked my toes! Never had that before but wow! Finally while she was riding me on top I told her I loved dirty talking and she delivered, bending down and whispering complete filth in my ear. Got me well and truly over the line.

I don't book that regularly but this girl will have me calling Allure back again. It's not a cheap agency but Iris was worth every penny. If you are looking for guaranteed beauty and quality go for it. I haven't stopped smiling since!
