The Lady:

Wow. Frankie is absolutely stunning. Beautiful skin and eyes. She was wearing some lovely red lingerie that left nothing to the imagination and high heels which she immediately took off. Amazing body and beautiful pert breasts.

The Story:

I booked an hour with Frankie. She was amazing. She helped me relax by starting off with a massage which was fantastic as she straddled me to apply pressure. She massaged using her nails as well as her fingers which was mind blowing and then it wasn't long before she turned me over to start massaging other areas which was amazing. I won't go into the whole detail but she was so amazing in every position. She blew me away with the happy ending. It was fantastic!

I will definitely be seeing Frankie again when I get the chance too.
