Nice premises. Very welcoming as I entered. It's free parking out side and the place looks legit from outside. Women go there aswell apparently so felt at ease walking in.

Tiny but perfect in every way

The Story:

Booked half hour through viva street. I to room payed 60 clothes off. Amy started with knees and elbows on my legs and back to warm muscle then oil massage deep tissue real professional. She is well trained as experienced. Working knots in my back then turn over massage arms chest and then a fantastic hand job. Cleaned with hot towel and finish with head massage. Was offered topless for 20 extra or naked for 70. Too expensive for me but when you look as good as she does I can understand the price structure. It's 95 for 1 hour b2b but topless. I'm now a regular. Mentioned about doing a review and she was happy so mention it and you may get discount haha
