The Premises:

HOD 2, not going to describe it in great detail as it has been done loads of times. Nice basement level flat, 2 bed 1 bathroom.

Special mention has to go once again to the absolutely wonderful maid. No idea what her name is but she works HOD 2 on Wednesday's and Thursday's, always absolutely lovely and professional. I look forward to see her almost as much as I do to seeing the lady I've booked!

The Lady:

Absolutely incredible. Frankie is a young (20s) rather tall lady and towered over me in heels but once they were off she almost match my height. Long brunette hair, wonderful soft, pale skin, a few tattoos and curves in all the right places! Frankie has a wonderful pair of breasts with sublime nipples. Lovely peachy bum and of course a perfect (shaved) pussy.

Her personality is also incredible, she is incredibly down to earth, enthusiastic and full of life! Very confident, though at times she seemed to be a bit self-deprecating which I don't really get as every inch of her is perfect. She's not some razor-thin ice queen, oh no! she is a real woman with curves that I imagine most women would envy and most men would love. Her photos don't do her justice and of course they can't convey her awesome personality!

The Story:

I need to explain why this punt was so cheap first off. I had an absolutely terrible booking a few days prior to this one and as a result was offered a free half hour with any girl of my choice. I chose Frankie as had been meaning to see her for a while and it seems she doesn't come along on the rota all that often and I didn't want to let her slip away. After a bit of negotiating I got an extra 15 minutes with her for £35 (half of £70, duh). Anyway, don't think about trying your luck getting a free go at HOD, this was only because of multiple errors (the maid double booking me despite me pre-booking the day before, the woman I saw being unprofessional, looking nothing at all like her photos, not offering half of the services offered ((full service my arse!)) and walking out of the room after only 20 mins of a 30 min booking etc).

Anyway, this review is about the wonderful Frankie so lets get to it. Frankie comes in full of energy and I explain what had happened at my previous booking. she immediately resolves to make up for that and oh, how she did!

Now I've had FK, DFK but never had I had Frankie's version of DFK before which was unbelievable. I don't think I have ever been kissed as deeply or as passionately as Frankie kissed me, this was something else and it was oh so good! Frankie is also more than happy to take the lead and quickly had me on my back on the bed giving me the best blowjob I have ever had. I won't go into great detail about the rest of the punt it was fairly standard but Frankie made everything unbelievably perfect somehow.

She had drained me after only 30 mins and I could have gotten away with having the entire punt for free then it seems but I'm glad I booked an extra 15 minutes as Frankie was a joy to lay with and chat to. She's an intelligent as well as offensively beautiful young woman and even just getting to chat with her was an absolute privilege.

She's an absolute hidden gem at HOD and i'm stunned she isn't one of the most popular girls. Maybe she doesn't do this often or has been away for a while. In either case, If I had the money I would book this lady every single time she came up on the rota!

Once again, special mention must go to the wonderful Maid who works at HOD 2 Wednesday and Thursday. I never fail to have brilliant bookings when she's around!

Thank you both so very much Frankie and the maid. I may not quit HOD yet thanks to the both of you. Xx
