### The Story:

I've been to see Sophia quite a few times now, though this is my first report on her. She's extremely friendly and cheerful. She's made me feel better every time, even though not everyone might think that a 60-stroke caning as hard as she could give it is exactly comforting. The thing is, she'll not only do very well whatever you ask her (well, everything I've ever asked her!) but she really knows how to enter into the spirit of the thing. I also have enjoyed giving her sweet bottom a mild spanking. She's a delight!
