The Story:

I've seen Alexa a number of times this year and can heartily recommend her as a first-class girl who cannot be faulted.

Alexa is a lovely girl, attractive, sweet and friendly but also very professional, so no time wasting nor rushing of any kind. Alexa's goal is always to make sure that I have a good time, no make that a great time, and everything on her profile is available without question.

We joke about her Am*z*n namesake "Alexa, please suck my dick", which she does without delay or question, unfortunately something that Am*z*n has yet to master!

We went through our usual (but always very exciting) repertoire of OWO, reverse oral then completion, this time in reverse cowgirl - I defy anybody to last very long with that view!

To summarise, a very lovely girl that I guarantee will not disappoint! Next visit already booked.

There's an added bonus if you visit Alexa at the West Kensington branch, which is the super sexy and legendary maid, Rihanna!
