The Premises:

This punt took place in the Marriott Hotel close to the local shopping area.

The Lady:

Exactly as pictured. A slim, leggy Romanian girl whose best feature was her lovely arse.

The Story:

Things didn't start well because I stupidly went to the nearby Holiday Inn by mistake. We had to rearrange the appointment by an hour. When I finally entered the right room I was glad it wasn't a bait and switch. Jasmine undressed and my eyes were immediately drawn to her lovely arse. The session started with covered oral and progressed to sex in doggy position. Jasmine changed the condom for that. She offered me anal for an additional £20 but only if she came on top. I declined and so we proceeded with doggy. I took it slowly and exploded after a few minutes during which I gently spanked her.

An unusual punt in some ways. Jasmine was friendly enough, but possibly a bit mechanical.
