The Story:

When I saw Miley in the flesh, I smiled to myself - she is gorgeous.

Miley was very smiley and friendly from the off, she let me use the bathroom and then joined me in the bedroom. The order of the day was sultry seduction and Miley did this perfectly. I couldn't stop my hands running over her tight curves in the long black under dress she wore as she writhed on my lap and whispered what she wanted to do. I asked her to keep the dress on for round 1, after lots of sensual kissing she lay back and allowed me to lift her dress to taste her which I did for a few minutes and she responded well. She spent time stroking my balls and then sat on my face allowing me to bury my face in her tight ass whilst she blew on my balls.

Time to fuck, Miley got on top of me and she slid sensually onto my hard cock — she was so tight and kept whispering what she wanted me to do. After a lovely session of screwing I pumped a huge load into the condom whilst still inside Miley. We cleaned up and chatted and cuddled, a little later Miley wanted more action so she got to work on me and eventually I was ready. She sat on my lap and slipped my cock inside her we fucked like this for a while, the standing up, doggy, missionary and spoons all with Miley getting into it. After about 20mins Miley gave me a BJ and then went to work really hard on trying to make me explode, unfortunately it wasn't to be but she kept at it right up to the hour and gave me plenty of kisses afterwards.

Miley is really good fun and so so sexy. I'm definitely seeing her again.
