The Story:

I had originally booked the day before to see another girl but when I phoned to confirm was told she was running late but had the chance to meet Sam at 11.30 and I was not disappointed because of the previous reviews she had.

I arrived at 11.30 and was shown to the room and shortly after Sam entered with my requested drink. As soon as I saw Sam I knew I was in for a good time and asked for an hour which Sam was happy to oblige.

We started kissing,slowly at first and were soon on the bed lots of kissing and playing,Sam is so incredibly sexy at what she does I was in heaven!! OWO was amazing and enthusiastic,on with the rubber and Sam climbed on top and proceeded to ride me and oh boy she did!We fucked in lots of positions with a break halfway through to catch our breaths:) before more amazing sex which ended with Me sitting on the bed and Sam straddling me until I had the most amazing climax,with 10 minutes to spare we lay on the bed chatting some more while Sam cleaned me up. All in all one of the best punts I've ever had,Sam was very enthusiastic and so easy to get on with,I will definitely be back to see Sam again very soon as she's a real gem!
