The Lady:

Pretty with a slim body and tiny waist. But with a bum that sticks out just right. Really enjoyed her body. She has very long hair.

The Story:

As I was stuck in London for the night I looked up the agency and booked Anastasia having read her reviews. I like petite women and she is just right.

She is a great fuck and a great person too. She really got into it, and loves using her tongue and fingers all over my body. Top marks for her BBBJ skills. I would see her for a duo next time. I am getting hard just thinking about it. So I can recommend!
