The Premises:

Very discreet with plenty of car parking nearby. Easy to find with directions a bit more difficult without. Felt safe enough. Clean and suited to purpose inside.

The Lady:

Morgan's tall and attractive with mega sized tits with a kind gentle manner. She somehow became increasingly attractive as the session progressed. Great photos on websites for both House of Divine and MKE.

The Story:

Having enjoyed a string of excellent punts recently as a result of thoroughly researching the reviews of the ladies working each day and employing predictive analytics to forecast the one most suitable for me to book, I eagerly awaited my next punt. Scoring against a list of predefined criteria, Morgan came out a long way in front as much as for her natural assets as for the services other punters have reported she provides and her attitude to her job. Luckily she had several shifts in Milton Keynes for me to choose from which made it easy for me to find a convenient slot and saved me from having to make the tedious trek into London.

Keen to make a good impression, I purchased new designer brand clothing in TK Maxx and had my hair styled to try and disguise my geek like appearance. I also scrubbed myself hard in the shower and ensured that every orifice was squeaky clean before leaving the house. As a result, my own mother wouldn't have recognised me.

Morgan entered the room wearing lingerie and nothing besides while I was still undressing her cavernous bra barely containing her enormous tits. "Are you my next client?" she asked politely. Completely dumbstruck, I was mesmerised by her appearance my eyes riveted on the part of her anatomy below her neck and above her navel. Never before had I seen a set so magnificent except in porn. She must have somehow worked out from my reaction that I had a booking with her as she closed the door and stood close to me.

"Will you like to see these?" she asked gently. Extremely shy by nature particularly with the opposite sex, I was unable to find the right words to respond so I continued to stand silently

transfixed by the vision in front of me. She heaved her tits out of their cups and asked kindly whether I would like to have a closer look. This was the invitation I was waiting for as I took the hint to move forward to smother them uncontrollably with kisses. After a few moments of bliss, I traced a line of kisses up her body, planted my lips onto hers and stuck my tongue into her mouth. To my great delight she responded by wrapping her mouth round it and making contact with her own tongue. I was in paradise with my entire focus taken up by the pleasure I was feeling.

Morgan pushed me gently onto the the bed, pulled down my boxer shorts and went on to give me a blow job without a condom. Even more bliss followed as she licked the knob like a lollipop moving up and down the shaft then onto the balls tantalisingly for what seemed like a couple of long minutes looking at me straight in the eyes while doing so. I couldn't wait any longer and eventually blurted out "lower, lower." This utterance didn't come easily to someone with my nerdy disposition but I had anticipated the situation and rehearsed the words so I wouldn't get stuck at a crucial moment. Much to my delight, she did go lower and I had never before experienced such pleasure as she fondled my cock as she licked. To say that it felt absolutely divine would be no exaggeration. I was pleased that my scrupulous preparation with expensive shower gel paid off and I passed the discretion test.

"More, more" I cried not wanting the moment to end. This was also pre-rehearsed so came out easier than it otherwise would have done. Slowing the fondling down to ensure that I neither came too soon nor go off the boil, Morgan expertly kept me on the boundary between agony and ecstasy for what seemed like an eternity. With my senses rising to a crescendo and reaching a point that I couldn't take any more, she resumed with the lollipop licks on my knob before putting the entire shaft into her mouth. Bobbing her head up and down gradually increasing the pace for a couple of minutes, I felt the familiar sensations of the climax starting to build up deep inside until it consumed every cell in my body until I gushed into her mouth. It was the most powerful orgasm I'd ever had. It was so power that I'm sure that I lost consciousness for a few short seconds.

Afterwards, Morgan chatted while I lay there recovering. I learnt that she does a two girl with Frankie who looks really nice in her photos. I also learnt that she does two girl bookings in London with Sophie who I'd seen before and rated extremely highly. If they can both provide me the same level of service while working together as they did working individually, what an incredible experience that would be.
