The Story:

She was very bubbly and we agreed an extra £10.00 for too she immediately set to giving me a great blow job really licking sucking stroking and looking at me she was enjoying herself she had said she was new to this and really enjoyed it. we then had a sixty nine and she remarked how much she was enjoying the tongue bath and got wetter & wetter. She then spun round and sank herself onto my cock, she was surprisingly tight and rode me hard and fast then when she started to come she laid flat on me and put her legs together as she came and writhed about. This brought me off and I filled the rubber. I thanked her for a great time and promised to call again.

If you like young blond & big tits this is not for you - if you want someone to really fuck you hard & drain your balls she is the one
