The Story:

We agreed £30.00 plus £20.00 for the girlfriend experience. She gave me a nice massage and put me at ease before rolling me over and giving me a lovely sloppy blow job getting me rock hard then as requested she laid back and spread her legs wide so I could lick and suck her pussy then allowed me to lick and suck her gorgeous boobs whist rubbing her clit.

we then got into cowgirl position and she rode me grinding into me a fantastic fuck then when I asked she finished me off with a lovely oily hand job.

I thanked her and it was the best experience I have had there and this was my fourth visit and I will be looking forward to calling in again soon for a repeat performance
