The Lady:

Morgan is about 5'7" tall, slim with the most amazing breasts. She is in her early twenties and is naturally very beautiful.

Frankie is 5'10" very slim with lovely pert breasts. She is also in her early twenties and is stunning.

The Story:

I had been wanting to see Morgan for a while, and noticed that she now did full interactive with Frankie. So I thought I'd treat myself, and what a treat it was!

I arrived on time and was taken to a rather small bedroom on the ground floor, the maid explained that the larger bedrooms were occupied, and if I didn't mind waiting.

10 minutes later she was back in and took me upstairs, I met both Frankie and Morgan in the kitchen area as I was on my way to the top floor.

Once in the room I had just taken my shoes off, when Frankie walked in wearing a little skirt and even smaller top, with a stunning pair of high heels. She walked straight up to me and greeted me with a very passionate kiss, whilst she was kissing me Morgan walked in and commented on Frankie starting without her. Morgan came over and gave me a kiss and started to unbutton my shirt, then off with the trousers. Morgan continued to kiss me while Frankie dropped to her knees and started to suck my rock hard cock. Soon Morgan dropped to her knees and joined her partner in crime licking my shaft and taking turns on swallowing my cock.

Morgan stood up and suggested we move to the bed, I didn't need to be told twice! I was straight onto the middle of the bed, Morgan and Frankie joined me on either side, Morgan straight to work on my cock again while Frankie carried on kissing me. I reached around and started to finger Frankie clit, she seemed to love this and became very wet very quickly. Frankie then moved to join Morgan on my cock, I continued to play with her pussy with one hand whilst playing with Morgan's immense breasts with the other.

I then said to Frankie that I wanted to taste her pussy, so she swung round into a 69 position and I started to work on her sweet pussy, whilst they both continued to focus all their attention on my throbbing member. Frankie then sat up and said she wanted to feel my cock inside her, so on with the mac, and she climbed on reverse cowgirl and rode me, Morgan still had her head between my

legs sucking on my plums. Morgan then moved up to give me some attention and started kissing me and biting my nipple, Frankie obviously felt left out, so she turned around and continued to ride my rod! This girl is a dynamo and could have gone all day (or until she broke me!). Frankie then climbed off and joined Morgan, in kissing me and Frankie in turn, then altogether. Frankie then suggested that Morgan try my cock out, Morgan climbed on top and started to ride me, Frankie was now next to me kissing me again I had one hand in Frankie pussy and the other on Morgan's massive tits as they swayed with the rhythm of her riding me. Morgan then asked me to fuck her doggy style while Frankie lay next to her and fingered herself! I grabbed Morgan's slender waist and began thrusting into her she was making all the right noises, all the time Frankie is staring at me and fingering her soaking clit.

Once I had exhausted myself I lay back down on the bed with less than 10 minutes left on the clock she asked me how I wanted to finish, I said that I'd love to come over both of their tits. She agreed that this would be a good end, but I wanted Frankie's tight pussy around my cock one last time, Frankie climbed aboard and started to ride me for all she was worth, Morgan continued with kissing me and biting/licking my nipples, soon it was all too much and my cock exploded in Frankie. Morgan said that it was typical of Frankie to want all the cum, and that she wanted some! So I guess I'll have to book another session and let Morgan have some cum on her amazing tits. Both these girls are amazing! And well worth seeing together, I know I will be seeing them again! Once I have recovered from the amazing ordeal I had today!! Gents treat yourselves and have both of these gorgeous se. Pests together, but be warned they could break you!
