### The Story:

Had the most amazing hour with Morgan! She will put you at ease instantly with her bubbly outgoing manner.

We started kissing and fell on the bed where Morgan gave me the most incredible blowjob uncovered with lots of spit, paying lots of attention to my balls and lower, for over half the booking she was edging my cock, licking it up and down, round and round my head driving me insane with pleasure then taking me in her mouth again, I was dripping precum with the excitement, I wanted to 69 but I just couldn't take my eyes off the beautiful sight between my legs, I don't think I've ever had someone lick and suck my cock quite like Morgan did, she then moved up and positioned her fantastic tits around my shaft so I could squeeze them together wanking my cock with them. Morgan then laid on the bed and lubed up her badboys so I could fuck them, the sight of my cock coming out from between those tits and into Morgan's waiting mouth was incredible, she asked me if I wanted to continue like this or get covered up, I really wanted to feel her pussy on my cock so I chose the latter, while in the same position Morgan took the Jonny out into her mouth and onto my cock, we started in mish before too long I was struggling! All that extra attention to my cock for so long was paying its toll, I felt like I was fucking 18 again! I pulled out a few times in an attempt to delay things before continuing, we changed positions to cowgirl where it wasn't long with Morgan in control that I couldn't take anymore and pumped buckets in the Jonny, we cleaned up and lay chatting on the bed for ages, my only regret is not continuing with the tit fuck and cumming in her mouth as the sight of my jizz on such a pretty girl would be amazing so on that note would I return? Fuck yes! Very soon:)
