The Premises:

One of the best apartments Annabellas has to offer, top floor, great views and nice and warm in there. Clean and nice amenities.

The Lady:

Paris has to be in the top 3 of stunning girls at Annabellas. At just 19 years old her body is to die for! Perky, pert breasts, one hell of a figure, long blonde hair, long slender legs, perfect arse, shaved pussy and a very pretty face. Her English is minimal, but she is very smiley.

The Story:

Paris seemed a little inexperienced, which was quite a turn-on in itself. Took care of business first and then quickly undressed and got on the bed. She was already naked except for heels and a suspender belt. My hands were shaking as I held her in my arms first, such a stunner!

They've listed her services as OWO but this is not the case. Suited up before a lovely and tender blowjob from her tight and pretty mouth. I like a long blow job and Paris obliged and paid attention to my other request to tweek my nipples as she sucked. Then we got down to business. Paris is just 19 and therefore very tight, I had to go very gently and not all the way inside her. Absolutely mind blowing tight. We kissed and held each other tightly. I kept to just gentle and slow thrusts and she made the sweetest moans.

I'd booked 30 minutes but could only last 20. Definitely coming back, I don't think she is staying for long, make the most of it.
