The Premises:

In a run down part of town , Establishment itself is a whitewashed front with a bright neon sign , normal solid door with bell access inside an entrance way . Clean but shabby . No showers seen as not offered . Room basic bed , no sheets just a towel and 2 pillows no covers . Again room quiet shabby .

The Lady:

Miryam is absolutely stunning . Petite , with long dark brown hair with a red tinge . Mid to late 20,s small firm boobs and a beautiful little bum . Shaven haven and perfect shaped lips . She is Rumanian

The Story:

I have been punting all around the world since the age of 17 now at 57 tears 40 years of punts . This is the single most useless punt I have ever had . Which if you consider Miryamsdescription is an absolute shame .

5 ladies paraded in front of me , all good looking and young it was obvious all where Eastern European I chose Miryam as she had a lovely smile and seemed the most relaxed . Taken to the room , asked if I wanted 30 minutes or an hour . Chose an hour . Paperwork out of the way Went for a cheeky grope and a kiss only to be firmly told no . And that set the tone .

Asked for an extra £20 when I asked to go down on her , constantly stopping , complaining . Got through a packet of baby wipes . Wouldnt let my hands anywhere near her , kept telling me to straighten my legs as I lay flat on the bed as she sucked my cock . I had paid for an hour , I find it more relaxing to take my time . She licked my cock twice sucked it once then said we do sex now .

I expected a nice rubdown , a bit of a laugh and some gentle groping . A drink would have been nice but not essential . A shower would have been good as well , especially as she said she valued cleanliness

Eventually ,as I could not keep hard , she said she was not happy as she offered porn star treatment and I wanted different . No love I wanted a punt . Some fun not constant whinging . She eventually offered me £40 back or the choice of another girl for the last half hour (I had been

there less than ten minutes) . There's a few other bits but you get the idea . I tried to explain how repeat business is good for her . She reckons plenty go back . Not me .

All in all a waste of time ,effort money and a lost opportunity
