The Premises:

A nice easy find basement apartment in Bayswater. Discreet, very cosy inside, not huge at all, but functional and nice. Good shower etc. and everything else was fine. Was offered water and chocolates would you believe. Ruby also has a security camera so she can see who you are when you approach the door outside.

The Lady:

Ruby was one of the best experiences I've had with a young escort. She really looks like the girl in the pictures, make no mistake about it, but she's even better in person. She must only be 19 or 20 for sure. She has a cracking body. Slim and perfectly tight and toned. Lovely big eyes and a very good attitude. She only wanted to please. Dressed up in outfit I requested, with nice makeup, and really made the effort to look good. She looks gorgeous in her glasses (which are actually prescription)

The Story:

Action started with her showing off a little in her sexy schoolgirl outfit. She bent over for me to have a good look at the little black panties she had on underneath. Then she sat on my lap and was very playful. She's such a petite and cute young girl, and this much sexual confidence is rare in one so young. She played with my cock, which was already hard and then I decided to have a better look at her body and proceeded to strip her naked. Wow! Ruby is incredible, make no mistake about it!

She then dropped to her knees and started to suck me off. She has a great technique and it's really nice when her hair is in the pigtails because I could get a good look at her slurping away and even hold onto them and move her head a little. Not that I needed to, she goes deep, around and all over when she gives head. Really nice. We moved onto the bed where she carried on and on with it. Almost to the point that I thought I would pop there and then. We had already agreed on the CIM option and I'm glad we did! It's £50 extra.

But I had to have her on top of me. I can't possibly describe how good she felt. She is nice and tight, yet she can take a good length! Felt amazing. She's a really horny girl and wanted it all ways. I took her missionary, and then spooned her, and then in doggy and her lying on her front, all of

them were fantastic! I ended up watching her take off the condom and start sucking me for all it was worth until I exploded in her mouth. She sucked it clean before discreetly doing a nice cute little dance to the bathroom.

When she returned she gave me a nice stroke and a massage and we chatted for a while. I really wish I'd booked longer with her, and I will definitely see her again.

Very strongly recommend
