The Premises:

Victoria location. Nice flat but the shower can be a bit dodgy.

The Lady:

A real girl next door vibe about her. Curvy and with a breath taking pair of tuts.

The Story:

Her friendly manner and she put me at ease. I am into roleplays and she happily obliged. I found myself constantly fondling her breasts but she has a great arse too.

For round 2, she suggested I come on her tits. I accidentally got some in her hair. I was really embarrassed about it but she found it funny and reassured me.

For the last 10 minutes we chatted and the subject of Smallville came up which was a bit random.

A really good GFE experience.
