The Premises:

A new location to me for Annabellas, discreet flat in Bletchley, as expected from Annabellas clean and tidy. Parking is on street and easily available, however the spaces I saw were restricted to 1 hour only.

The Lady:

Harper, what a lovely young lady, very beautiful with lovely warm soft skin. Early 20's, curves in all the right places and breasts to bury your face into. Importantly though she is also has a lively friendly, happy personality.

To be honest Harper is too nice a person to be in this industry, although I am so pleased she is.

The Story:

Was shown into a spotlessly clean room by a friendly and attractive young lady, offered a drink and facilities.

Harper soon bounded into the room with a big smile on her face and immediately put me at ease and made me feel comfortable. We had a quick chat and she asked what sort of things I like. Now I'm not into anything too outlandish and prefer a nice girlfriend experience. This seems to be Harper's speciality, lots of slow long lingering kissing, tender and sensual kisses on the neck and lots of stroking and cuddling, amazing owo, all leading to the main event which finished with her on top. Once I was done there was no urgency for her to jump off, just more gentle kissing and touching. Perfect!

If you want a "wham bam thank you ma'am" type of experience then look elsewhere. If you want to feel special then Harper is the girl to see. Highly recommended!
