### The Story:

Came down to Sheffield to sort something out but my plans got cancelled so I thought I'd pop in and to be honest Ive been craving a blonde milf for awhile and Elise is the dictionary definition

Start off a quick shower then she entered room looking fine I just couldn't control myself I kissed and played with her body

And visa versa

She's suggested quick back rub which I obliged

Quick back rub then back to kissing her, sucking nipples, her lovely boobs in my face

Owo was out of this world, I love sloppy messy deepthroat oral

69 one of my favourite things to do I love being smothered by pussy

Reverse oral on her I had to get her on her back lick her pussy juices

On with the rubber mish doggy and at this point she said, her and Casey work really well together i

was like sure let's get her in she went down to reception and managed to get Casey for 10 minutes

This was one of my best decision of the day three way kissing both pair of boobs in my face dicked

sucked while tits in my face double blowjob girl on girl I'm definitely having them two again for

longer, oh and someone another punter accidentally open the door on us... could have joined in

haha

Sadly Caseys next client was waiting and her time with me was up

More oral from Elise and finish of with cim great way to end

Treat this lady right she's a gem  
Highly recommended
