The Story:

Shown to the downstairs room and the maid offered me a drink. Daisy arrived shortly afterwards in a lovely little outfit which I said she looked very sexy in. She seemed very pleased that I approved and was very bubbly and chatty right from the off, I felt as if I had known her for years. As we had discussed her outfit I mentioned that I had read a review about her where she wore a schoolgirl outfit and straight away she asked if i would like her to change into one. I said yes that would be great and she went off and came back in a couple of minutes in a very sexy one. She also said that she had an even sexier one at home and if I let the receptionist know next time, when booking, she would bring it in with her. Cant wait for that. Anyway, as my hands were a bit cold, she said why don't you stand there and warm them on the radiator while I take your clothes off and suck your cock. Wow what an experience that was. We then moved over to the bed as I told her that I would come bit quick if she carried on sucking me and I started playing with her while slowly removing her outfit. She seemed to love me licking her shaved pussy and said I was very good at it which turned me on even more and started to finger her and even lick her cute little bum. This went on for a while and she even offered to turn around and put her bum up in the air while spreading her legs so I could get an alternative view. Wow. We then applied the cover, and as I was so turned on by that stage, I popped fairly quickly. Afterwards we laid there having a chat about things until It was time for me to go. What a great experience and cant wait to see her next time.
