### The Lady:

As per her pictures extremely pretty with a hint of Russian language

### The Story:

Was back in London for 2 weeks and used this agency 4 times. Every lady was perfect and I should write a review for each one but I can't seem to find the time these days.

So this is just for Alexandra who was the last girl I saw before I had to head home.

This lady loves to play. I was a little bit tired after my trip to London but that was not going to stop her from getting what she wanted. I gave it my best but she wanted more and after the first round she made it clear she wanted a second and she knows how to get the old chap interested again.

From deep OWO to every position imaginable this lady has talents that will make your eyes water.

I don't know how these agencies can get girls this pretty and enthusiastic for what they charge but I sure hope Brexit does no change all that

Another great time in London and will definitely see Alexandra and some others from this agency when I return next time
