### The Story:

From the moment Daisy appeared at the door wearing a big smile and skimpy little outfit I just knew this was going to be a great session. For she is so full of fun and down-to-earth and lost no time instructing me to get my clothes off. Sinking to her knees she began by deep-throating me which nearly had me exploding before we continued with some role play on the bed with Daisy acting as a naughty student ending up getting her little bottom spanked. After playing with her pussy on went the condom and it was time to admire the view in the strategically-placed mirror as I entered her in missionary. I can take quite a while to come, but at no time did Daisy rush me and she made all the right noises before I eventually whipped off the condom to finish on her breasts.

Daisy is a delight to be with and really sets the gold standard at this well-run establishment. My only regret is not to have booked a longer session, something that will be put right next time for certain.
