The Premises:

Annabelle's is well known but just to say the shower was the best I've ever seen

The Lady:

Pretty smile. Bubbly personality. Very like her photos. Very much girl next door rather than model/pornstar.

The Story:

Beyond all expectations and well worth the 40mins i waited having got there very early because I was passing they Milton Keynes on my way home to the Midlands and there was no sooner slot.

Best kisser I've ever known in any woman

Best BJ I've ever had

Best deep throat

Best ear sex

Joint best prostate massage

Best sex period

Best laugh I've ever had with an escort

Best sexual experience ever

Having fumbled my way thru teenage snogs and early sexual experiences in my 20s they to adult relationships in my 30s and 40s this was what I used to dream sex should be like. The ultimate GFE. Laura has redefined the sexual experience for me and without sounding totally ridiculous, I feel reborn. I now understand literally the term "the Joy of Sex".

All I can say is thank you Laura for an experience (hopefully the first of many) I will remember forever and always carry with me to my grave.
